Dear Greg,

Thank you so much for a wonderful residency at Mt. SAC last weekend. Your kindness, passion, love for teaching, and nuanced and thoughtful conducting have made it such a joy for me to collaborate with you, both last week and last year. I really do mean it when I say you make magic out of Brooklyn Air — nobody else I've worked with has brought it to life with the same vitality that you do. Thank you for being such an avid champion of my music, and for many other new composers. I look forward to collaborating again soon!
